## Definitions

- **A trading company with foreign participation in the share capital** is such trading company partially or entirely established with the participation of natural or legal persons, with stable residence or registered office outside Romania.

- **Foreign investor** is a natural or legal person with stable residence or registered office outside Romania, having the capacity of associate/shareholder in a trading company with registered office in Romania.

- **Share capital** is the total value of the participation, in cash and in kind, subscribed by the shareholders upon incorporation of a company, and upon increase of the share capital during the trading company operation.

*Subscription* to the share capital by a foreign investor, according to the legislation in force, December be made in the national currency of Romania and/or in freely convertible currency.

*Increase of share capital* registered by submission includes:

- The foreign investors' participation out of new own resources, in cash and/or in kind, in lei and/or hard currency;
- participation from dividends obtained in Romania;
- acquisition of shares by a non-resident person from a resident one.

*Decrease/(increase by) assignment* of share capital includes the amounts representing participation in the share capital of non-resident associates/shareholders assigned to/(received from) resident associates/shareholders.

- **Foreign investment of capital in Romania** ( **Is** ) equals to the value of foreign capital subscribed upon incorporation (**I**) plus subscriptions through submissions to increase the foreign capital (**M**), plus/minus the assigned share capital by/to resident associates/shareholders (**C**), minus the share capital subscribed to companies struck-off from the trade register (**R**), i.e.:

$$\mathbf{Is = I + M \pm C - R}$$

### Used Terms:

- **incorporation** – represents the registration of the applicant in the trade register granting the quality of legal person thereto.

- **submission** – is the registration of the changes occurred during the operation of the company, such as: change of registered office, change of share capital, merger, winding-up, dissolution, etc.

- **strike-off** – is the operation of removing a company with foreign investor from the trade register, setting out the date a company loses its quality of legal person as a result of dissolution or winding-up thereof. The data regarding strike-offs also include trading companies under the provisions of Law No. 314/2001.

- **Operations** performed in the trade register represent all the registrations including incorporations, submissions and strike-offs of trading companies with foreign participation in the share capital, irrespective of the nature of activity and type of trading company.
